  Java Backend & Frontend
  April 2022 - Present

- **MPC autonomous college, Baripada**
  BSc. in computer science
  July 2018 - Sept 2022

- **Pradeep college of Sc. & tech.**
  11th and 12th in Science
  July 2016 - March 2018

ABOUT ME

Excited to say that, have practiced thousands of hours of coding and DSA with proficient knowledge in Java back- end development. A very enthusiastic and proactive person for learning new things, teamwork, managing time, building projects with teams, and good at contributing useful features to the projects as well.
